

Challenge yourself and enter INSPIRELI AWARDS 2017 - International contest for young architects and students of architecture under the age of 35.

Why Enter?

- Compare yourself to the best in class architects and students of architecture.
- Be globally recognised for your talent and achievements.
- Receive a ticket to view the world elite in the field of architecture and design.
- Be rewarded with INSPIRELI AWARDS Prizes & Benefits.

How it Works?

- Enter your work in one of two categories: Vision (not built projects) and Realization (already built projects).
- Your project will be displayed in the INSPIRELI AWARDS competition gallery and visible to jury as well as general and professional public.
- Voting starts on July 1, 2017. Early submission is in your favor!
- Voting is closed on November 30, 2017 and the pre-selection of finalists for each category follows.
- The winners of the contest are selected by international professionals and peers comprised of renowned jury, participants from the Union of International Architects (UIA) as well as the professional public.
